

Year 7 Literacy and Numeracy Catch Up Premium Funding: 2018-19

The Year 7 literacy and numeracy catch up premium funding for the current academic year (September 2018 - August 2019) we have received is a sum of £23, 138

The catch up funding is targeted at the 21 year 7 students who arrived with 97> scaled score in English and 22 who arrived with 97> scaled score in Maths.

We using this allocation for the following provision

1. Investment in staffing to allow smaller sets for lower ability students.
2. Intervention with learning support staff in lessons, withdrawal groups and additional support lessons.
3. Consultancy support for mathematics to develop the KS3 mathematics/English curriculum
