

Further to the opening of the Academy from 15th June 2022, staff and students will be asked to wear a face covering to limit the spread of COVID-19.

Students and staff are welcome to use a face covering that they feel comfortable with. These can either be purchased or made. Only those wearing a face covering will be allowed access to the academy site.

Please find below details of where these face coverings can be purchased from and also if you would like to make one, details can also be found below.

If students do arrive at the academy without a face covering, they will be asked to wear one that the academy provides but this is a limited resource.

Buying a face mask online
